CORRIGENDUM

Ecogeography and taxonomy of *Rogeria* J. Gay ex Delile (Pedaliaceae).
Webbia Vol. 68, No. 2, 103–126, http://dx.doi.org/10.1080/00837792.2013.867609

Dorothea Bedigian
Herbarium, *Missouri Botanical Garden*, *St. Louis*, *MO*, *USA*

The text should be modified as indicated here.
1) Page 107: *Rogeria longiflora* is given as: *R. longiflora* (D. Royen) J. Gay ex DC. The correct authority appears on p. 103, as: ***Rogeria longiflora* (L.) J. Gay** Ann. Sci. Nat. (Paris) 1: 457. 1824.

2) Page 109: Seed of *Helary 50* (WIND) was removed from the un-mounted specimen in order to be photographed for Fig. 6. When the specimen was eventually mounted and the seed was reunited with the specimen, I found that *Helary 50* is in fact *R. longiflora* (L.) J. Gay.

3) Page 104: Taxonomic history section first paragraph: omit 'J' after 'Rogeria' as is duplicated.

4) Two references appear in 4 places: A) Page 104 (twice) in Taxonomic History section, B) Page 107 in 2) *Rogeria longiflora*… synonym and ref. section – '*R. longiflora* var. *triloba* Engl. (1888a) Bot Jahrb Syst. 10: 255'.

5) Page 104: description of *Rogeria*. Word missing in 2nd line up – 'lobes suborbicular to obovate…'

6) Page 106: numbering of steps in key: '1a' and all others are plain numbers, e.g. '2' and '3'. Correctly, key should drop the 'a'.

7) Page 107: locality for type of *R. longiflora*: include 'Hereroland' after 'Namibia.

8) Clarification about **Delile and Cailliaud** (1826 and 1827), regarding *Rogeria*'s origin. Delile (1826) published a short formal description of *Rogeria*, of *R. adenophylla*, as a preprint preceded by the figure (plate 63, vol. 2, 1823). Subsequently, Delile (1827) published this again, with an augmented title, as an appendix to Cailliaud's (1827) *Voyage à Méroé* in vol. 4. The plate number in the whole work is LXIII. Note that the plate was published in 1823, vol. 2 as t. 63, prior to the 1826 publication of the description.

> **Delile, A.R.** (1826) Centurie de plantes d'Afrique du voyage à Méroé. Paris (Imprimerie royale) p. 78. (Preprint, later published as an appendix to Cailliaud, F. (1827) Voyage à Méroé. 4. See below.) [Note Taxonomic Literature II (TL-2) (1976): 424 says "The botany should therefore be cited from this preprint."]
> **Delile, A.R.** (1827) Centurie de plantes d'Afrique du voyage à Méroé recueillies par M. Cailliaud, et decrites par M. Raffeneau-Delile. Appendix to F. Cailliaud (1827) Voyage à Méroé. Paris (Imprimerie royale) Vol. 4, p. 368–372.

9) **Gay, J.E.** (1824 Sur le *Pretrea* et *Rogeria*, … plantes. *Ann Sci Nat.* [BPH-2 (2004) 1:91] sér 1, 1 [it is a volume, not a number]: 457.
